

THE FIRST ANNOUNCEMENT

Call for papers

Dear,

The University of Mostar and the Croatian Academy of Sciences and Arts in BiH are honoured to invite members of the domestic and international scientific community and the interested professional public to submit scientific or professional articles and participate in the International Scientific-Expert Conference

„Untying the Knot - Bosnia and Herzegovina on the path towards EU and NATO Membership“

due to be held in Neum, in March 2022. The Organizing Committee of the International Scientific-Professional Conference "Untying the Knot - Bosnia and Herzegovina on the path towards EU and NATO Membership" - adopted the following conference topics:

- Successful European Power-Sharing Models - *Useful Examples for BiH?*
- Power-Sharing vs. outvoting: *What Concept Would Foster Bosnia and Herzegovina's EU Integration?*
- The Policy Options and Choices of the International Community with reference to Bosnia and Herzegovina

We would kindly ask you to register your participation electronically at: conference.neum@sum.ba and send an abstract no later than 31 January 2022.

We will confirm your application electronically to your e-mail. Authors of the accepted topics/abstracts will be notified of the acceptance by the specified deadline.

The working language of the conference is English, and authors are allowed to submit abstracts and papers in English and Croatian.

The application and abstract must include:

1. name and surname and academic title of the author;
2. name of the home institution;
3. contact of the author (e-mail, telephone and address), with indication of the author for correspondence in all phases of reviewing and publishing, if there are several authors;
4. title of the paper in Croatian and English;
5. abstract (general overview of the topic, methodology, results and conclusion - up to 250 words) and keywords (up to five keywords) in Croatian and English.

Important notes for authors:

1. Applications for participation and abstracts received after the deadline will not be considered.
2. Only applications and abstracts of authors with scientific affiliations will be considered.
3. Topics/abstracts can be submitted individually or in co-authorship (maximum two authors).

4. All submitted articles will be reviewed by two reviewers. Complete papers that do not receive both positive reviews will not be published.
5. Articles that require significant modifications or additions will be returned to the author (s) for revision before publication.

Categories of scientific papers:

- Original Scientific Paper
- Preliminary Communication
- Review
- Professional Paper

Important dates:

by 31 January 2022 - receiving application and abstracts

by 15 February 2022 - information on acceptance of topic and abstracts

16 and 17 March 2022 - Conference

by 30 June 2022 - receiving complete works

More information available on: <https://www.sum.ba/> or e-mail conference.neum@sum.ba.
