## PNRR-TNE International Mobility Programme - Assessing Constitutional Crisis Impact and Security (IMP-ACCTS)

### Project Proposal TNE23-00057 – CUP B61I24000450006

Dear Partners,

We are pleased to share the program for the **Advanced Skills Senior course**, focused on **Security**, organized by the **University of Siena**.

Applications can be submitted until **31 March 2025**.

The course will be held at **Certosa di Pontignano** (<https://www.lacertosadipontignano.com/en/?r>), the University of Siena's conference center located approximately 10 km from the city, **from 19 to 24 July, with arrival on 18 July and departure on 25 July**. During these days, accommodation will be provided at Certosa di Pontignano. We will arrange your **transportation** from the center of Siena to the venue.

Participation in the course involves an individual support fee of €190,00 per day (from which **the costs for board and lodging at Certosa di Pontignano will be deducted**), in addition to a travel support fee of €410,00 (€470,00 if green transportation options are selected). Given the program's structure, **research grants are not provided**; however, an additional **teaching support contribution of €500,00 per person is offered**.

In this regard, we have organized "Roundtable" sessions during which participants may present topics of their choice related to the overall theme of the course: Security. Accordingly, we kindly request that **you select the items "Individual Support," "Travel Support," and "Teaching Support" in the "Financial Support" section of the Application Form** ([https://drive.google.com/file/d/1cZK0t4leulu9n0wdhApQ02SQY\\_W81SMa/view](https://drive.google.com/file/d/1cZK0t4leulu9n0wdhApQ02SQY_W81SMa/view)) and **attach the completed Teaching Agreement** (<https://drive.google.com/file/d/1prWwY5vIcH5A9aIHa-n-eb3XkceYEXbH/view?usp=sharing>), indicating **"1"** in the designated space for teaching hours. Once the documents are completed, **please send them as a draft to [milani@unisi.it](mailto:milani@unisi.it) for review before final submission**.

Furthermore, although the call stipulates a maximum course duration of 10 days with 6 days of activity, for organizational reasons, the activities have been concentrated into 6 consecutive days. Consequently, **up to 4 additional mobility days may be arranged before and/or after the course**. In this case, **accommodation must be booked directly by the**

**participant**, although we are available to provide support and recommendations during the booking process.

We would like to remind you that participation in **the Rondine Course** (<https://sites.google.com/unisi.it/imp-accts-project/advanced-skills/rondine-courses>) will be available **immediately after the Summer**. All participation **costs are covered by PNRR TNE IMP-ACCTS project funds**. Therefore, if you are interested, we kindly ask you to **complete and submit the Rondine Course application form** (<https://drive.google.com/file/d/1bYDgEbMbwGHwpmqWzwBs5h-RT19WrtKR/view>) together with your application for the Summer School.

We would like to take this opportunity to **save the date** for **Summer School on Constitutional Crisis for Senior Researchers**, organized by the **University of Milan-Bicocca**, which will take place from October 20 to October 23, 2025, in Como and on October 24th in Milan. Considering two travel days (arrival and departure), the mobility period will be from **October 19 to October 25, 2025**.

We trust you will join us with enthusiasm and look forward to your participation.

Best regards,

Mario Perini

P.I.
